We are delighted to welcome you to the first edition of our **INSPIRE by Harfield** brochure.

INSPIRE by Harfield aims to do exactly what the name says – Inspire!

Introducing INSPIRE

As you know, our range of products is synonymous with high quality, durability, safety and value for money. But they are also beautifully designed and suitable to grace any requirement. What we have done is put our products as the canvas to showcase your culinary creations. With our products, you can delight your diners by presenting your wonderful food with fresh, stylish and exciting new looks.

Take a look through our Spring edition and see how we can help you to deliver your vision on a plate, tray, bowl or something different.

We have kept the details to a minimum to really showcase the products and the food. Most products shown are available in a wide range of colours. All our products are made from polycarbonate unless otherwise stated. Please consult our main catalogue or our website www.harfieldtableware.co.uk to see all of the options available.
