QUALITY TABLEWARE SINCE 1961

AUTUMN/WINTER 2018

# Welcome,

to the Autumn/Winter 2018 edition of Inspire by Harfield.

Christmas is around the corner and you may be looking for new ideas for party tableware or drinkware. The next few pages will inspire you to present your food in new, safe, environmentally friendly, reusable and excellent value for money ways. Layered desserts, dipping pots, sharing platters all feature heavily in this version.

The real star of the show is our new reusable, 100% recyclable, insulated, anti-slip and antibacterial coffee cup. Made in the UK, right here in our home town of Stockport, this cup is the answer to the disposable cup crisis. Available in many stock colours, bespoke colours to order and also with the option to personalise, with a list price of less than £2 (ex VAT), this cup is taking the market by storm. Order a free sample today from our office on the details below.

We would like to thank you for your custom throughout 2018. We wish you all a very happy and peaceful Christmas and New Year.

Our next edition will be out in Spring 2019. To reserve a copy for yourself or a colleague, please email Carol Moodie at [carolmoodie@harfieldtableware.co.uk](mailto:carolmoodie@harfieldtableware.co.uk)
