QUALITY TABLEWARE SINCE 1961

SUMMER 2019

Welcome,

to the Summer 2019 edition of Inspire by Harfield.

The cover star for this edition of Inspire is our brand new 500ml Water Bottle, which we are officially launching now. Available in clear with a choice of two styles of cap. Firstly there is the sports cap, available in pink and blue currently with a black option to follow in early August. The second style of cap is our design cap and this is a simple screw cap, available in black, blue and red. These bottles are made from copolyester, fully recyclable and you can brand them with your own logo or message. These stylish, heavy duty bottles are perfect for schools and healthcare and indeed anyone wanting a high quality bottle. Initial stock is limited, so please order early to secure your stock.

We are also featuring ideas for "top tables" in schools. These are reward tables where star pupils get to dine separately and enjoy a different ambience to the everyday tableware. We have a huge range of colours and items that suit this particular demand very closely.

Our third spread utilises our vast range of products available in purple. Allergen identification is crucial to today's caterer and we believe we have one of the widest ranges to help solve this practical need.

As a manufacturer we can also respond quickly to your requirements for purple in any of our products. If the item you need is not yet available in purple, just let us know and we can manufacture them for you (subject to minimum order quantities).

Our last pages focus on our widening range of utensils and the many different options that are now available for you from us as part of the EPIQ alliance of European Manufacturers. Need an item you can't see? Give us a call and we can try and source from one of our partners. With EPIQ you can be assured that the product will be industry leading quality and value.

Our next edition will be out in Autumn 2019. To reserve a copy for yourself or a colleague, please email Carol Moodie at carolmoodie@harfieldtableware.co.uk
